

# New Basketball and Tennis Courts!!

The Town of Capitol Heights will be repairing and reconstructing the basketball and tennis courts in the Town. As such, ALL courts (except Larchmont park) will be closed effective immediately. We anticipate all courts will be repaired by late September. At that time, we will formally announce the re-opening of all courts. We ask for your assistance as we complete renovations to provide you, our valued residents, with quality sports courts. We thank you in advance for your cooperation and assistance.

If you see trespassers on the sites, please contact the Police at (301) 352-1200 or [tipline@capitolheightsmd.com](mailto:tipline@capitolheightsmd.com)
